Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

The first month back to real school has been chaotic to say the least, so I haven't been able to do as much as I would've liked to this month. Going into October, I hope this can change as more committees pop up as well as opportunities to get initiatives going before we get too far into the semester.

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

Nothing to report. Hope to get some things going in October.

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

Nothing to Report.

Challenges I've Encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

The only real challenge I encountered this month, and I fear it may continue throughout the semester, is that I am having difficulty fitting GFC meetings into my schedule.

Goals I've Accomplished this Month:

(kept up with regular duties &/or accomplished additional goals)

This month I was just happy that I was able to complete my required duties as a general assembly member. I've been able to touch base with several professors and constituents within my faculty, just making it aware that I am around and happy to help and be of service wherever I can.

MOVING FORWARD

Current or Upcoming Tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

Nothing to Report.

Goals for Next Month:

(What I would like to accomplish next month as a ULSU representative)

Over the next month I hope to start getting involved in some internal committees with the ULSU since I haven't yet had a chance to jump on board with any. Additionally, I am hoping to possibly have a fine arts townhall sort of meeting where students can come chat with me about any concerns they may have so far this semester.

Important Dates/Deadlines:

(important deadlines related to my goals or position).

October 5th: Meeting with Associate Dean of Fine Arts
October 7th and 24th: Faculty of Fine Arts Dean Search Committee
October 27th: Faculty of Fine Arts Council
GA Meeting TBD
