

# SEPTEMBER 2023 COUNCIL REPORT

UNIVERSITY OF LETHBRIDGE  
STUDENTS' UNION

## TYLER ANDERSEN | Residence Representative | 32 hours

**Hours Breakdown**  
(Meetings, events and activities that I've attended in my role, with an hours breakdown)

### Resident Move-In and NRO - 14 hrs

Helped with resident move-in for new and returning with traffic direction, campus navigation, unloading vehicles, etc. Afterward was present at each NRO to introduce ORS and purpose of the organization.

### Supersized Slip n' Slide - 4 hrs

Hosted my first residence-wide event of the year, Supersized Slip n' Slide. It was 100 feet long and had floaties provided. Water was constantly running with soap reapplied every few runs. Waivers signed before anyone was allowed to go down the slide. Overall the event was very successful! I remained at the event from setup to takedown. Prize winners will be determined later.

### General Assembly Meeting - 3 hrs

Met with the General Assembly to go over monthly business and reports. During this meeting there had been nothing to report as everyone was primarily still settling into residence.

### Dirty Bingo - 3 hrs

Helped out with the ULSU's first Dirty Bingo of the year. Helped with wherever I was needed by the VPSL and others running the event.

### ORS Council - 8 hrs

Month consisted of three ORS Council's.

### Highlights and Reflection on Monthly Activity

(Information of note, what went well, what did not)

Resident move-in was such an exciting time! Getting to meet so many new faces and watch them settle in is an amazing experience. It was a great opportunity for me to be able to connect directly with my team and constituents alike. Additionally, move-in also went really well this year! We had an amazing team that worked together flawlessly and we managed to be really efficient so families didn't have to wait long.

The Supersized Slip n' Slide was also an amazing event that was very well attended and had people sticking around for quite awhile. There was no safety incidents. Unfortunately towards the end of the event the tarp did start to give out and we did run out of soap so we needed to get more partway through the event.

Helping out with Dirty Bingo was also a wonderful experience and allowed me to connect me with the general University community.

This was overall such a great month.

<b>Challenges</b> (eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.)	<p>My biggest challenge so far has been getting volunteers for residence-wide event due to time conflict with class schedules. Will consider this when determining the timing of future events. Also tried to work with LPIRG to drop off fresh produce. Managed to do this once.</p>
