Challenges- Time management remains a work in progress; I wish I had started the month with a clearer plan to better prioritize my commitments.

Projects in Progress

Projects in Progress- I am currently working on organizing a small activity for the Small Business Week to raise awareness about local businesses and highlight the events hosted by the university and Dhillon School of Business.

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

Nothing to Report.

Challenges I've encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

-Time Management

Goals I've accomplished this month:

(Kept up with regular duties &/or accomplished additional goals)

This month, I kept up with my regular work and school responsibilities, participated in ULSU activities, and tried connecting with local business owners. I also had a productive discussion with my fellow DSB representative, and I really liked the ideas we were able to come up with and share with each other.

MOVING FORWARD

Current or upcoming tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

My upcoming tasks include drafting a comprehensive plan for the Entrepreneurs Hub, "a market for students with small businesses", and outlining the key elements necessary for its success. I aim to complete the initial draft within the next week. I will be working closely with my fellow DSB representative and other ULSU members to gather ideas and resources to ensure a well-rounded event. Additionally, I plan to reach out to local entrepreneurs for potential collaborations and support as part of this process.

Goals for next month:

(What I would like to accomplish next month as a ULSU representative)

For next month, I plan to participate more in ULSU activities, finalize a date for the Entrepreneurs Hub, and hopefully organize a little something for Small Business Week.

Important dates/deadlines:

(important deadlines related to my goals or position).
